

# MICROSOFT RESEARCH LICENSE TERMS

These license terms ("MSR-LA") are an agreement between Microsoft Corporation (or based on where you live, one of its affiliates) and you. Please read them. They apply to the data ("data") they accompany, which includes the media on which you received it, if any. The terms also apply to any Microsoft:

- updates,
- supplements,
- Internet-based services, and
- support services

for this data, unless other terms accompany those items. If so, those terms apply.

By using the data you accept these terms. If you do not accept them, do not use the data. If you comply with these license terms, you have the rights below.

## SCOPE OF RIGHTS:

- **License Grant.** You may use, copy, modify, creative derivative works, and distribute the data for any purposes, subject to the restrictions in this MSR-LA.
- **Publication.** You may publish (or present papers or articles) on your results from using the data, provided that only a small subset of such data is included in any such publication or presentation.

In return, we simply require that you agree:

- If you distribute the data or any derivative works of the data, you will distribute them under the same terms and conditions as in this license, and you will not grant other rights to the data or derivative works that are different from those provided by this MSR-LA.
- If you have created derivative works of the data, and distribute such derivative works, you will cause the modified files to carry prominent notices so that recipients know that they are not receiving the original data. Such notices must state: (i) that you have changed the data; and (ii) the date of any changes.
- That Microsoft is granted back, without any restrictions or limitations, a non-exclusive, perpetual, irrevocable, royalty-free, assignable and sub-licensable license, to reproduce, publicly perform or display, install, use, modify, post, distribute, make and have made, sell and transfer your modifications to and/or derivative works of the data, for any purpose.
- Not to alter any copyright, trademark or patent notice in the data;
- Not to use Microsoft's trademarks in a way that suggests your derivative works or modifications come from or are endorsed by Microsoft;
- Not to include the software in malicious, deceptive or unlawful programs;

**TERM; TERMINATION.** The term of this MSR-LA will commence upon your acceptance of these license terms and will continue indefinitely unless terminated as provided herein. If you breach this MSR-LA or if you sue anyone over patents that you think may apply to or read on the data or anyone's

use of the data, this MSR-LA (and your license and rights obtained herein) terminate automatically. If this MSR-LA is terminated, you must cease using and distributing any derivative works or modifications of the data. Any sections that are intended to survive termination of this agreement shall survive.

**FEEDBACK.** That any feedback about the data provided by you to us is voluntarily given, and Microsoft shall be free to use the feedback as it sees fit without obligation or restriction of any kind, even if the feedback is designated by you as confidential.

**SCOPE OF LICENSE.** The data is licensed, not sold. This MSR-LA only gives you some rights to use the data. Microsoft reserves all other rights. The patent rights, if any, granted to you in this MSR-LA only apply to the data, not to any derivative works you make. In using the data, you must comply with any technical limitations in the data that only allow you to use it in certain ways. You may not:

- work around any technical limitations in the data;
- make more copies of the data than specified in this MSR-LA or allowed by applicable law, despite this limitation;
- rent, lease or lend the data; or
- transfer the data or this MSR-LA to any third party.

**EXPORT RESTRICTIONS.** The data is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the data. These laws include restrictions on destinations, end users and end use. For additional information, see [www.microsoft.com/exporting](http://www.microsoft.com/exporting).

**ENTIRE AGREEMENT.** This MSR-LA, and the terms for supplements, updates, Internet-based services and support services that you use, are the entire agreement for the data and support services.

**Governing Law and Venue.** This Agreement is governed by and construed in accordance with the laws of the state of Washington, without reference to its choice of law principles to the contrary. Each party hereby consents to the jurisdiction and venue of the state and federal courts located in King County, Washington, with regard to any suit or claim arising under or by reason of this Agreement.

**DISCLAIMER OF WARRANTY. THE DATA IS LICENSED "AS-IS." YOU BEAR THE RISK OF USING IT. MICROSOFT GIVES NO EXPRESS WARRANTIES, GUARANTEES OR CONDITIONS. YOU MAY HAVE ADDITIONAL CONSUMER RIGHTS OR STATUTORY GUARANTEES UNDER YOUR LOCAL LAWS WHICH THIS AGREEMENT CANNOT CHANGE. TO THE EXTENT PERMITTED UNDER YOUR LOCAL LAWS, MICROSOFT EXCLUDES THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.**

**NEITHER MICROSOFT NOR ANY CONTRIBUTOR TO THE DATA WILL BE LIABLE FOR ANY DAMAGES RELATED TO THE DATA OR THIS MSR-LA, INCLUDING DIRECT, INDIRECT, SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES, TO THE MAXIMUM EXTENT THE LAW PERMITS, NO MATTER WHAT LEGAL THEORY IT IS BASED ON.**
